Cod Liver Oil is a fish oil supplement rich in certain nutrients

such as Vitamins A and D-3. It also contains Omega-3 Fatty Acids, specifically EPA (Eicosapentaenoic Acid) and DHA (Docosahexaenoic Acid), which have been shown to support overall health. Our Cod Liver Oil is tested to be free of potentially harmful levels of contaminants (i.e. mercury, heavy metals, PCB's, dioxins, and other contaminants). This double strength Cod Liver Oil contains twice the Vitamins A and D-3 as in our regular strength Cod Liver Oil softgels.

Supportive but not conclusive research shows that consumption of EPA and DHA omega-3 fatty acids may reduce the risk of coronary heart disease.

SUGGESTED USAGE: As a dietary supplement, take 1 softgel daily with a meal. Consider taking this product in combination with NOW® CoQ10 and Tru-E BioComplex™.

Double Strength Cod Liver Oil

CARDIOVASCULAR SUPPORT*

650 mg

- Vitamins A & D-3
 - With EPA/DHA
- 250 Softgels**

A Dietary Supplement
