*This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Not manufactured with wheat, gluten, milk, egg, fish, shellfish or tree nut ingredients. Produced in a GMP facility that processes other ingredients containing these allergens.

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.

SUGGESTED USAGE: As a dietary supplement, take 1 softgel 1 to 3 times daily, preferably 1 hour before meals.

CLA Extreme™ combines the benefits of L-Carnitine (Carnipure™), Guarana and Green Tea Extract (GTE) for active people seeking the nutritional support of Conjugated Linoleic Acid (CLA). L-Carnitine is a non-essential amino acid that facilitates the transfer of fatty acids across the mitochondrial membrane for cellular energy production. Guarana supports alertness and, associated with Green Tea, may enhance daily energy expenditure. GTE contributes numerous bioactive compounds, including Polyphenols and Catechins that have been found to help defend against oxidative stress. When used as directed, CLA Extreme™ helps support healthy fat metabolism and energy production, especially when used along with an exercise program and a healthy diet.*

CLA EXTREME™

with L-Carnitine,
Guarana,
& Green Tea
90 Softgels
A Dietary Supplement

Supplement Facts

Serving Size 1 Softgel

	Amount Per Serving	% Daily Value
