SUGGESTED USAGE: As a dietary supplement, take 1 capsule 3 times daily

NOW® Super Cortisol Support is an herbal and nutritional formula designed to support healthy adrenal function and maintain healthy cortisol levels. The adrenal glands help the body respond and adjust to stress generated from both internal and external forces. Under chronic stress, cortisol can be over-produced, resulting in weight gain and difficulty in managing healthy blood sugar levels. Super Cortisol Support combines adaptogenic herbs with Chromium, Corrosolic Acid and Relora to help the body manage the negative effects of stress such as excess abdominal fat deposition, overeating and low energy levels.*
