Resveratrol is a polyphenol naturally found in the skin of red grapes, certain berries, and other plants. Scientific studies have shown that Resveratrol supports healthy cardiovascular function. Resveratrol, especially when combined with other polyphenols, is known for its anti-aging effects, as well as for its ability to support a healthy inflammatory response.*

SUGGESTED USAGE: As a dietary supplement, take 1 capsule daily. Consider taking these other NOW® products: CoQ10, Pycnogenol® and Tru-C Biocomplex™.
