SUGGESTED USAGE: As a dietary supplement, take 1 1/2 level teaspoons 3 times daily or as directed by a healthcare professional.

HOW IT WORKS: Ribose is a pentose (5-carbon) sugar essential for the production of DNA and RNA. Ribose is also a fundamental building block of adenosine triphosphate (ATP), the preferential source of energy for skeletal muscle and heart tissue.*

CAUTIONS/INTERACTIONS: D-Ribose theoretically may interact with drugs that affect blood sugar levels. For more information on this product go to www.protocolforlife.com/P2147.

Formulated by doctors and clinical scientists exclusively for licensed healthcare practitioners.
