

SUGGESTED USAGE: As a dietary supplement, take 3 capsules, 1 to 2 times daily with food, or as directed by your healthcare practitioner.

HOW IT WORKS: Liver Detox™ is a proprietary blend of herbs and nutrients designed to support healthy liver function.* Liver Detox™ contains Milk Thistle Extract, which has been shown in clinical and non-clinical studies to support the liver, as measured by standard liver enzyme laboratory tests.* In addition, Liver Detox™ contains N-Acetyl Cysteine and Methionine, two amino acids known to enhance the production of glutathione in the liver.* Glutathione, a major cellular antioxidant, plays an essential role in liver detoxification mechanisms.* Also included in Liver Detox™ are other herbs (Schisandra, Bupleurum, and Scute) that have been shown in non-clinical studies to support healthy liver function.* This formula is recommended for frequent travelers who want to support their liver health while travelling.*

CAUTIONS/INTERACTIONS: Milk Thistle may affect the body's metabolism of alcohol, acetaminophen, and a number of pharmaceutical medicines. Because ingredients in this product may have an effect on bile secretion, caution must be exercised by individuals with obstruction of the bile ducts, gallstones or other serious diseases of the gallbladder, and physician supervision is advised.
