defense mechanisms to protect against oxidative damage.*

The antioxidant and thermogenic activities of green tea have been extensively studied; however the bioavailability of its active constituents, known as flavonoids, is generally reported to be low. NOW® T-Lean™ features GreenSelect® Phytosome, a standardized, caffeine-free green tea extract complexed with phospholipids for enhanced bioavailability. GreenSelect® Phytosome has been clinically tested and shown to support healthy metabolic rate and weight management in those eating a well-balanced diet and getting the proper amount of exercise. In addition, GreenSelect® Phytosome can support the body's antioxidant

SUGGESTED USAGE: As a dietary supplement, take 1 Vcap® twice daily with food. Consider taking these other NOW® products: L-Carnitine, CLA and Super Cortisol Support.

- Promotes Healthy Body Composition
- Clinically Shown to Aid in Weight Management
- Increased Bioavailability*
