

CODE 3432B V3

SUGGESTED USAGE: Shake well. As a dietary supplement, take 1 tablespoon (15 mL) 2 times daily with food or on an empty stomach. Can be taken undiluted, or mixed with water or juice. Consider taking this product in combination with NOW® Hyaluronic Acid, MSM and Serrazimes®.

SHAKE VIGOROUSLY BEFORE USE.

REFRIGERATE AFTER OPENING TO PRESERVE FLAVOR.

NOW® Vegetarian Flex Mobility™ Liquid is a 100% vegetarian joint support formula featuring FlavanFlex™, a patented herbal extract that has been scientifically shown to support a healthy inflammatory response through its effects on COX and LOX enzyme activity. COX and LOX enzymes help to regulate activity of signaling molecules that are critical for the maintenance of normal immune and inflammatory function.

Flex Mobility™ also contains GreenGrown®, a vegetarian non-shellfish, non-animal derived Glucosamine. Glucosamine is an essential substrate for the formation of the main components of cartilage tissue. In addition, it includes MSM as a natural source of organic sulfur, a mineral necessary for the production of proteoglycans. MSM, Manganese, Vitamin C, and complementary herbal extracts work synergistically with Glucosamine to provide optimal nutritional support for healthy joint function and comfort.*
