

Nature's Plus® DYNO-MINS® POTASSIUM is an exciting, revolutionary formulation offering peak mineral support:

- **DYNO-MINS POTASSIUM** supplies highest quality Phytavail Potassium from pesticide-free, hydroponically grown plants. Unlike other food grown minerals, Phytavail Potassium is 100% yeast-free.
- **DYNO-MINS POTASSIUM** employs the exclusive Dyno-Mins Dynamic Mineral Transport System. Specific organic transporting agents for potassium, including citrate, ascorbate, aspartate and aminoate, maximize Phytavail Potassium bioavailability and utilization.
- **DYNO-MINS POTASSIUM** includes rare earth elements that are critical for overall health and well-being.*
- **DYNO-MINS POTASSIUM** contains true organically bound mineral chelates, specially coated with acid-resistant protection for increased absorption in the intestines. Mineral aminoates are brown rice chelates.
- **DYNO-MINS POTASSIUM** enhances Phytavail Potassium absorption and utilization with FOS (fructooligosaccharides). This all-natural prebiotic promotes the growth of friendly intestinal bacteria and helps to maintain a healthy digestive environment.*

Free from artificial colors and preservatives. Free from the common allergens yeast, wheat, soy and milk.
