ENERGY ELIXIR is a state-of-the-art whole food energizer that works fast. Each convenient, highly concentrated, liquid-filled tube unites the age-old energizing properties of complex and simple carbohydrate from Wild Clover Honey, Royal Jelly and Spanish Bee Pollen. This powerful combination is then fused with the highest quality American Ginseng, Guarana Seed and select imports of Korean Ginseng and Eleuthero. Just one tube daily, that's all it takes, for natural energy on the go. **ENERGY ELIXIR** – the most concentrated energy supplement ever developed!
