**SUGGESTED USAGE:** As a dietary supplement, take 1 Vcap® 1 to 2 times daily.

**HOW IT WORKS:** Immune Renew™ is a potent proprietary high beta-Glucans Mushroom blend combined with a standardized Astragalus Extract. Immune Renew™ has been formulated to support a healthy immune system.\* Scientific studies indicate that Astragalus may support a number of aspects of healthy immune function, including healthy B-Cell and Natural Killer Cell activity.\* Our proprietary formula of eight organic mushrooms provides additional immune support due to its high beta-Glucans content.\* The beta-Glucans polysaccharides found in mushrooms have demonstrated remarkable activities with respect to the support of balanced innate and adaptive immune responses.\* A strong, responsive immune system is the foundation of good health, helping to support healthy immune system function seasonally and throughout the year.\*

**CAUTIONS/INTERACTIONS:** If you are taking any immunosuppressant or antidiabetes medications, consult your healthcare practitioner before using this product. For more information on this product go to [www.protocolforlife.com/P3055](http://www.protocolforlife.com/P3055).

Formulated by doctors and clinical scientists exclusively for licensed healthcare practitioners.
