P4841
VI

SUGGESTED USAGE: As a dietary supplement, take 1 to 2 droppersful in tea or water 1 to 4 times daily as needed or as directed by your health-care practitioner.

HOW IT WORKS: Echinacea is an herb widely known for its immune-supporting properties.* Studies indicate that Echinacea constituents, including alkylamides and caffeic acid derivatives, can affect both adaptive and innate immune responses, which may help to support a healthy immune system.*

CAUTIONS/INTERACTIONS: Echinacea may interact with certain cardiac medications and immunosuppressant medications. If you are taking any of these medications, or if you are immunocompromised, consult your healthcare practitioner before using this product. Echinacea may also interact with caffeine. Please use care when using this product in combination with caffeine-containing foods or beverages. For more information on this product go to www.protocolforlife.com/P4841.
