V3

**SUGGESTED USAGE:** As a dietary supplement, take 2 Vcaps® daily, preferably with food or as directed by your healthcare practitioner.

**HOW IT WORKS:** D-Flame™ is a synergistic blend of herbs that promote a healthy inflammatory response through their ability to modulate COX-2 and 5-LOX enzyme activities. This potent combination of herbal ingredients can thereby contribute to joint comfort and the relief from the occasional minor pain resulting from over-exertion or stress. In addition, the maintenance of a healthy inflammatory response has been shown to be important for cardiovascular health. D-Flame™ can be used daily for the support of vascular health or occasionally, to alleviate minor aches and pains associated with everyday life.\*

**CAUTIONS/INTERACTIONS:** This product contains some compounds that may interact with a number of medications. If you are using any prescription medications or if you are planning any surgical procedures, consult your health care practitioner regarding the use of this supplement. For more information on this product go to [www.protocolforlife.com/P3121](http://www.protocolforlife.com/P3121).

Formulated by doctors and clinical scientists exclusively for licensed healthcare practitioners. Manufactured in an A-rated Good Manufacturing (GMP) Certified facility.

\*These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.
