HOW IT WORKS: Vein Integrity™ is an herbal vascular support supplement whose ingredients promote healthy vascular function.* Vein Integrity™ contains the patented ingredient, Trunorin®. Trunorin® is a proprietary and standardized Prickly Ash Bark extract that has been clinically tested for its ability to support healthy blood flow, as well as vascular strength and integrity.* Vein Integrity™ also contains Butcher's Broom, Horse Chestnut Seed Extract, and Grape Seed Extract for their synergistic effects. Together, these herbs provide support for healthy vascular tone and integrity.*
