**SUGGESTED USAGE:** As a dietary supplement, take 1 to 2 Vcaps® daily, or as directed by your healthcare practitioner.

**HOW IT WORKS:** Pycnogenol® is a proprietary extract from French Maritime Pine bark grown exclusively in the coastal region of southwest France. The unique growing conditions and natural processing used to obtain it result in an extract with constant proportions of procyanidins, organic acids, and other bioactive compounds. Pycnogenol® possesses potent anti-oxidant properties and is known to support proper inflammatory and immune system responses.\* Clinical studies have demonstrated that Pycnogenol® can help to support healthy circulation and helps to maintain normal vascular function.\*

**CAUTIONS/INTERACTIONS:** Do not use if you have an allergy to pine. Pycnogenol may interact with anti-diabetic, anti-platelet, anti-coagulant, anti-hypertensive, anti-inflammatory, and numerous other medications. It may also interact with immunosuppressants. If you are taking any pharmaceutical medications or if you are pregnant or lactating, consult your healthcare practitioner before taking this product. For more information on this product go to [www.protocolforlife.com/P3267](http://www.protocolforlife.com/P3267). Please Recycle.
