

SUGGESTED USAGE: As a dietary supplement, take 1 Vcap® 1 to 3 times daily, or as directed by your healthcare practitioner.

HOW IT WORKS: Resveratrol is a polyphenol that is naturally found in the skin of red grapes, certain berries, and other plants. Recent research has shown that Resveratrol can support healthy cardiovascular function through its powerful antioxidant properties, as well as through its ability to promote a healthy inflammatory response.* In addition, some studies indicate that Resveratrol may help to maintain healthy platelet function.*

CAUTIONS/INTERACTIONS: Women who have had breast cancer, or are at high risk, should consult a healthcare practitioner before using this product. Resveratrol may interact with NSAIDs and anticoagulant/antiplatelet medications, as well as with drugs metabolized by Cytochrome P450 3A4 such as statins, calcium channel blockers, anti-arrhythmic agents, anti-histamines, benzodiazepines, erectile dysfunction drugs, and HIV protease inhibitors. Please consult a healthcare practitioner before use if taking any of these drugs. For more information on this product go to www.protocolforlife.com/P3353.

Caution: This product may cause digestive upset in some sensitive individuals. If you experience any gastrointestinal discomfort after using this product, discontinue its use.
