## ESTERIFIED VITAMIN C

### Supplement Facts

Serving Size 1 Tablet

|                                                                                                                                                                                              | Amount Per Serving | % Daily Value |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------|---------------|
| Vitamin C<br>(as a proprietary combination of ascorbyl palmitate, calcium ascorbate, magnesium ascorbate, zinc ascorbate, potassium ascorbate and ginger [ <i>Zingiber officinale</i> root]) | 675 mg             | 1125%         |

Other ingredients: Di-calcium phosphate, stearic acid, microcrystalline cellulose, magnesium stearate, silica and pharmaceutical glaze.

## 2-PHASE DUAL IMMUNE BOOSTER

### Supplement Facts

Serving Size 1 Bi-Layered Tablet

| Amount Per Serving                                                                          | %DV               |
|---------------------------------------------------------------------------------------------|-------------------|
| Vitamin A (as beta carotene) . . . . .                                                      | 3333 IU . . . 67% |
| Vitamin C (as ascorbic acid) . . . . .                                                      | 167 mg . . . 278% |
| Vitamin E (as d-alpha tocopheryl acetate) . . . . .                                         | 20 IU . . . 67%   |
| Zinc (as aspartate) . . . . .                                                               | 5 mg . . . 33%    |
| Arabinogalactans ( <i>Larix occidentalis</i> extract) . . . . .                             | 83 mg . . . †     |
| Olive Leaf ( <i>Olea europaea</i> ) . . . . .                                               | 25 mg . . . †     |
| (stand. 20-25% [5 mg–6.25 mg] oleuropein)<br>(with 10 additional standardized constituents) |                   |
| Andrographis ( <i>Andrographis paniculata</i> . . . . .                                     | 17 mg . . . †     |
| aerial extract) (standardized 50%<br>[8.3 mg] andrographolides)                             |                   |
| Echinacea ( <i>Echinacea angustifolia</i> root . . . . .                                    | 17 mg . . . †     |
| and rhizome) (standardized 4%<br>[0.67 mg] echinacosides)                                   |                   |
| Elderberry ( <i>Sambucus canadensis</i> fruit) . . . . .                                    | 17 mg . . . †     |
| (standardized 30% [5 mg] flavonoids)                                                        |                   |
| <i>Lactobacillus acidophilus</i> (1.33 million . . . . .                                    | 0.33 mg . . . †   |
| viable cells at time of manufacture)                                                        |                   |

†Daily Value (DV) not established.

Other ingredients: Microcrystalline cellulose, hydroxypropyl methyl-cellulose, stearic acid, magnesium stearate, natural colors, silica and pharmaceutical glaze.

## ARABINO GALACTANS/OLIVE LEAF COMPLEX

### Supplement Facts

Serving Size 1 Capsule

| Amount Per Serving                                                                                                                                                                                                                                                                                                                | %DV     |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------|
| Arabinogalactans ( <i>Larix occidentalis</i> extract) . . . . .                                                                                                                                                                                                                                                                   | 250 mg† |
| Olive Leaf ( <i>Olea europaea</i> ) (standardized to 20-25% [25 mg–31 mg] oleuropein) . . . . .                                                                                                                                                                                                                                   | 125 mg† |
| Standardized Min. Phytonutrient Profile:                                                                                                                                                                                                                                                                                          |         |
| Verbascoside 1% (1.25 mg), Dimethyloleuropein 0.56% (0.7 mg), Hydroxytyrosol 1.8% (2.25 mg), Tyrosol 0.7% (0.88 mg), Elenolic-7-O-glucoside 0.2% (0.25 mg), Luteolin-7-O-glucoside 1.2% (1.5 mg), Luteolin 0.08% (0.1 mg), Apigenin-7-O-glucoside 1% (1.25 mg), Diosmetin-7-O-glucoside 0.44% (0.55 mg), Diosmetin 0.1% (0.13 mg) |         |

†Daily Value (DV) not established.

Other ingredients: Microcrystalline cellulose, silica, vegetable cellulose and purified water.

## HERBAL IMMUNE SUPPORT FORMULA

### Supplement Facts

Serving Size 1 Capsule

| Amount Per Serving                                                                           | %DV             |
|----------------------------------------------------------------------------------------------|-----------------|
| Vitamin A (as beta carotene) . . . . .                                                       | 5,000 IU 100%   |
| Vitamin C (as ascorbic acid) . . . . .                                                       | 150 mg 250%     |
| Vitamin E (as d-alpha tocopheryl succinate) . . . . .                                        | 50 IU 167%      |
| Zinc (as monomethionine) . . . . .                                                           | 7.5 mg 50%      |
