SUGGESTED USAGE: As a dietary supplement, take 2

Vcaps® 1 to 2 times daily, preferably with food. HOW IT WORKS: Red Yeast Rice is a unique natural product native to China that's been used in Asian traditional medical systems since approximately 800 A.D. Produced by fermenting red yeast (Monascus purpureus) with white rice. Red Yeast Rice is commonly used in cooking to enhance the color and flavor of foods Protocol For Life Balance™ Red Yeast Rice Extract is carefully produced to avoid the presence of citrinin, a sometimes toxic by-product of the fermentation process. This product is further enhanced with the addition of CoQ10 to support healthy cardiovascular and immune system function, Milk Thistle Extract to support healthy liver function, and Alpha-Lipoic Acid to provide antioxidant support.*

CAUTIONS/INTERACTIONS: Red Yeast Rice is well tolerated when taken as directed. Do not use in conunction with cholesterol-lowering medications, during pregnancy or lactation, if consuming more than two alcoholic drinks per day, or if you are under twenty years of Individuals with liver disease or taking any prescription medication should consult a physician before taking this product.
