

SUGGESTED USAGE: As a dietary supplement, take 3 capsules daily, in divided doses, or as directed by your healthcare practitioner.

HOW IT WORKS: Adrenal Cortisol Support™ is a botanical and nutritional blend formulated to naturally support a healthy adrenal stress response.* The adrenal glands help the body respond and adjust to physical, mental, and emotional stressors through the production of cortisol and other hormones. When stress becomes a part of everyday life, cortisol and blood sugar, and consequently appetite and body weight, may be difficult to manage. Adrenal Cortisol Support™ combines nutritional factors such as Vitamin C, Pantothenic Acid, and Chromium Chelavite® with Relora®, a proprietary herbal combination, to support healthy adrenal function, normal cortisol levels, relieve stress, and stress-related eating.*

CAUTIONS/INTERACTIONS: Antacids and NSAIDs may affect the absorption of Chromium. In addition, Chromium may interact with insulin and other diabetes medications. If you are pregnant/lactating, are taking medications, or if you have a health condition, consult your healthcare practitioner before taking this product.
