Do Not Eat Freshness Packet. Keep in Bottle.

Store in a cool, dry place. Please Recycle. Vegetarian/Vegan Product.

SUGGESTED USAGE: As a dietary supplement, take two Multi-Food Complex tablets daily with food. Dietary fats found in foods are essential to ensure absorption of fat-soluble nutrients.

Why Fermented Whole Food Base?

It is well known that nutrients obtained from healthy foods are the most beneficial. Supplements made from whole foods contain not only vitamins and minerals, but other micronutrients that can work in concert with them, enhancing their effectiveness.

- Yeast-Free, Soy-Free Fermented Whole Food Base for Nutrient Potency
- Nutritional Support with Cranberry, Flax Lignans, Iron, Boron and 800 mcg Folic Acid per serving
- High-ORAC Antioxidant Fruit Extracts and Organic Amla to Quench Free Radicals!
- Allergen-Free Acidophilus & Bifidus Live Probiotic Blend to Enhance Digestive Integrity*

Advanced Nutrition for Active Women

- Supports Immune & Heart Health*
- Fermented with High Antioxidant Fruit Blend!

NOW® Multi-Food Complex for Women is a whole food based, naturally fermented multiple vitamin formula that is the culmination of extensive research and testing, a commitment to natural ingredients, and NOW's passion for product excellence. The nutrient profile in NOW® Multi-Food Complex for Women has been optimally balanced to meet the diverse nutritional needs of today's active woman. The end result is a powerful and effective formulation of fermented whole food based nutrients.

Selected nutrients and organic whole food concentrates are carefully combined in a **Yeast-Free Fermentation** with allergen-free probiotics, while more fragile nutrients such as Vitamin C (from certified organic Amla fruit), Iron, Flax Lignans, Rhodiola, Lycopene, and additional probiotics are carefully added after this process. Our allergen-free probiotic blend is formulated with live organisms that support upper and lower digestive activity.* This innovative daily multiple formula does not contain the common food allergens milk, eggs, wheat, gluten, soy protein, fish, shellfish, tree nuts, peanuts or sesame.
