

*Alfalfa's (Medicago sativa) deep root system pulls valuable minerals from the soil. With the aid of sun light, nutrients including beta carotene and chlorophyll are made available to the body in a usable form. Herbal Hills sources tender young plants to supply a high portion of supple leaves and to avoid the inclusion of woody stems. Herbal Hills Alfalfa is Organically Grown at the Pollution free Sahyadri Mountain range, India, and Certified Organically Processed as per Indian Standard & in accordance with the organic standards of U.S. D.A.
