

Colon Cleanse® MAX DIGESTI CLEANSE®

SUGGESTED USE: Adults, take 1 capsule every day with food. Digesti Cleanse® may be taken continually to support overall health.* Not recommended for children under the age of 13.

A grumbling, noisy tummy is not only embarrassing, it's uncomfortable. Often the first signs of stress are stomach griping cramps, indigestion and gas/bloating. Digestive enzymes have been shown to ease and streamline the digestive process. Cooked and processed foods usually lack the enzymes that help your system do its job. Our proprietary digestive enzyme blend is formulated to promote healthier and normal digestion.*

When digestive enzymes are combined with our best-quality herbs, the result is not only a quieter, more soothed stomach, but a healthier colon too.* Soothing and nourishing herbs assist in cleansing and detoxing your digestive tract.*

Consult your physician if you have frequent diarrhea or if you are pregnant, nursing, taking medication or have a medical condition before using this product.

Keep this product out of reach of children. Store below 72°.
