

Colon Cleanse® Green Tea To Go is a superb antioxidant. It contains powerful catechin polyphenols, notably epigallocatechin gallate (EGCG). Numerous studies worldwide have shown that consuming several cups of green tea for the long term has benefits in lowering cholesterol, protects the heart, and helps the body to burn fat as fuel. It is featured in our Colon Cleanse® Green Tea to Go, to support the body's nutritional and health status while undergoing internal cleansing and detox programs*.

SENNA promotes regularity by encouraging peristalsis*. CASCARA SAGRADA contains active ingredients called anthroquinones, which are responsible for the herb's powerful digestive effects. FENNEL is a culinary spice known to be carminative, an anti-spasmodic compound used traditionally for digestive cramping*. GINGER is a culinary spice used traditionally and conventionally to aid digestion and calm a nervous stomach and nausea*. Hints of safflower, licorice and vanilla bean create a taste rhapsody that heightens the sensational enjoyment of drinking tea.

NOTICE: This product contains Senna and Cascara Sagrada. Read and follow directions carefully. **Do not use if you have or develop diarrhea, loose stools, or abdominal pain because senna and cascara sagrada may worsen these conditions and be harmful to your health.** Consult your physician if you have frequent diarrhea or if you are pregnant, nursing, taking medication or have a medical condition.

The graphic shows the product packaging for Super Colon Cleanse. At the top left is a circular seal with a green apple and the text "MADE WITH HERBS - NO FILLERS - MADE WITH HERBS" and "ALL NATURAL". To the right, the product name "SUPER Colon Cleanse®" is written in large, bold letters. Below this, a yellow banner says "RECOMMENDED FOR:" followed by a list: "• OCCASIONAL CONSTIPATION", "• INTERNAL CLEANSING*", and "• COLON HEALTH*". To the left of this banner is a white silhouette of a person. To the right is a diagram of the human digestive system. Below the diagram, it says "Green Tea Blend" and shows a green tea bag and a cup of green tea.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Suggested Use: Pour two cups (about 16 oz) of boiling water over one tea bag. Steep for about 2 minutes, and then discard the tea bag. Drink one cup after dinner and a second cup the next morning: repeat until relieved. After the first week, you may use only one cup (8 oz) of boiling water per tea bag. Enjoy this tea hot or cold. Flavor of the tea may be accommodated to the individuals' taste, by steeping for a shorter time.

Use about every 2 months, and for no more than 10 days at a time. **Suggested use for better results:** Super Colon Cleanse® Green Tea Blend may be used alternatively with our top selling Colon Cleanse® Original. Use Super Colon Cleanse® Green Tea Blend for a thorough cleansing periodically, followed by Colon Cleanse® Original for maintenance in between.

Always drink 6-8 glasses of water per day to hydrate the body when using this product. Water does not provide enough electrolytes to have any physiological counter-effect to dehydration.

SUPER COLON CLEANSE® GREEN TEA BLEND brings to you the rare indulgences of flavors from the Far East, along with the benefits of detoxifying herbs. Sit back and enjoy the unique aroma and taste of this wonderful cup of tea, while comfortably knowing that you are doing your body good!*

NOTICE: This product contains Senna and Cascara Sagrada. Read and follow directions carefully. **Do not use if you have or develop diarrhea loose stools, or abdominal pain because Senna and Cascara Sagrada may worsen these conditions and be harmful to your health.** Consult your physician if you have frequent diarrhea or if you are pregnant, nursing, taking medication or have a medical condition.
