Suggested Use: Pour two cups (about 16 oz) of boiling water over one tea bag. Steep for about 2 minutes, and then discard the tea bag. Drink one cup after dinner and a second cup the next morning; repeat until relieved. After the first week, you may use only one cup (8 oz) of boiling water per tea bag. Enjoy this tea hot or cold. Flavor of the tea may be accommodated to the individuals' taste, by steeping for a shorter time.

Use about every 2 months, and for no more than 10 days at a time. **Suggested use for better results:** Super Colon Cleanse® Peppermint Tea Blend may be used alternatively with our top selling Colon Cleanse® Original. Use Super Colon Cleanse® Peppermint Tea Blend for a thorough cleansing periodically, followed by Colon Cleanse® Original for maintenance in between.

Always drink 6-8 glasses of water per day to hydrate the body when using this product. Water does not provide enough electrolytes to have any physiological counter-effect to dehydration.

SUPER COLON CLEANSE® PEPPERMINT TEA BLEND brings to you the rare indulgences of flavors from the Far East, along with the benefits of detoxifying herbs. Sit back and enjoy the unique aroma and taste of this wonderful cup of tea, while comfortably knowing that you are doing your body good!*
