

EternalBlū Anti-aging Support contains **pTeroPure® Pterostilbene**, a pure form of the all-trans pterostilbene found naturally in blueberries. Harnessing the science behind blueberries and the superior cellular uptake of pterostilbene, EternalBlū's potent anti-oxidant activity supports cellular health and overall well-being.*

pTeroPure® Pterostilbene: Supports healthy cellular aging with potent anti-oxidant properties.*

Ingredients that complement pterostilbene:

Blueberry Fruit Extract: Blueberries have anthocyanins with anti-oxidant properties*

Green Tea Leaf Extract: Green tea has been used for millennia for its anti-aging properties. It contains catechins, well-known polyphenols with anti-oxidant potential.*

L-Carnosine: Carnosine is a natural amino-acid that can promote cell function by stabilizing and protecting the cell membrane.*

Quercetin: Quercetin has potent anti-oxidant activities that help support cellular health.*

Resveratrol: Resveratrol works in combination with pterostilbene to help against oxidative stress in the body. As a polyphenol, it also has anti-oxidant activity.*
