

TrimBlū Weight Management contains **pTeroPure® Pterostilbene**, a pure form of the all-trans pterostilbene found naturally in blueberries. Harnessing the science behind blueberries and the superior cellular uptake of pterostilbene, TrimBlū can complement the normal regimen of diet and exercise required to help maintain optimal weight levels.*

pTeroPure® Pterostilbene: Supports healthy metabolism and helps regulate the body's use of energy.*

Ingredients that complement pterostilbene:

Vitamin D: Supplementation may help support weight loss among those who are vitamin D deficient*

Niacin: Supports thyroid health.*

Vitamin B-6: Known to support the body's metabolic rate.*

Vitamin B-12: Can metabolize certain fats and carbohydrates, helping the body utilize energy more efficiently.*

Joboba Extract: Studies indicate that a compound in joboba called simmondsin may act as an appetite suppressant.*

Blueberry Fruit Extract: Current research suggests that blueberries may promote the way the body processes fats and sugars.*
