Store in a cool, dry place.

Keep out of the reach of children.

Directions: Adults take one (1) to two (2) capsules daily preferably one (1) hour before, or two (2) hours after a meal. Coenzyme B vitamins do not require the usual conversion by the liver but are directly transported to their action sites. This enables the body to use these coenzyme B vitamins more

efficiently thus lower potencies are needed for Lot No: energy production.**
