

CM Response™ Joint Action Formula is a unique non-prescription formula for supporting joint health and function. CM Response™ is specially designed with cetyl myristoleate—a powerful esterified fatty acid that promotes comfort and mobility in joints and muscles while quieting the effects of joint stress and irritation. Now CM Response® is improved with a superior non-shellfish source of glucosamine.*

*The information on this label has not been evaluated by the Food & Drug Administration. CM Response™ is not intended to diagnose, treat, cure or prevent any disease.

WARNINGS: Keep out of reach of children. Stop use and contact doctor if condition worsens or irritation develops. If pregnant or breast-feeding, ask a health professional before use.
