

StemFlo® is a proprietary blend of herbs and all natural ingredients that support optimal blood circulation by reducing oxidative stress in the blood, and improving overall blood flow.*

StemFlo is especially designed to support the delivery of stem cells, nutrients and oxygen, as well as immune cells to all parts of the body.*

For best results, use **StemFlo** in conjunction with **StemEnhance®**, which supports the release of adult stem cells and **ST-5 with MigraStem™** - which supports the ability of adult stem cells to migrate into tissues.

***StemFlo®** Es una mezcla exclusiva de hierbas e ingredientes naturales que apoyan una óptima circulación sanguínea al disminuir el estrés oxidativo en la sangre, desintoxicando la sangre y mejorando el flujo sanguíneo en general.**

***StemFlo** está diseñado para apoyar la distribución de los nutrientes y oxígeno, así como las células inmunes a través de todo el cuerpo.**

*Para obtener mejores resultados, use **StemFlo** en combinación con **StemEnhance®**, el cual apoya la liberación de células madre adultas y **ST-5 con MigraStem™**, que apoya la habilidad de las células madre adultas para migrar a los tejidos.*
