

**It's profound.
It's the greening of America.**

A true, undiluted food source of vitamins, minerals, polyphenols, co-nutrients and much, much more, Green Vibrance leads the way. The others follow.

Directions: As a food, once each day - or more often if you would like - mix one rounded tablespoon scoop (enclosed) of Green Vibrance into 4 to 8 ounces of your favorite juice, rice beverage, or water. Stir briskly or shake briefly in a closed container until mixed. Drink, enjoy and prosper.

Breakfast - or anytime - is great for Green Vibrance.

Proper Care and Storage: Green Vibrance contains more friendly, healthful probiotics than any other superfood. Please store Green Vibrance in your freezer (best) or refrigerator (good) after opening.
