

Suggested Use

Adults spray 4 times in the back of the throat then swallow. Use up to 4 times per day as needed or as directed by a qualified health care professional.

To operate the sprayer, rotate the wand to 90°, aim in the back of the throat and press the sprayer.

*Not to be used during pregnancy or lactation. If you have a medical condition or take medications, please consult with your doctor before using this product. **Keep away from children.** Use only as directed on label. Safety sealed for your protection. Keep bottle capped at all times and store in a cool dry place.*
