Intestone™
Digestive Support

Effective support for:

- Digestion
- Gastrointestinal health
- International travel

As any traveler to Southeast Asian countries (India, China, Thailand, and Vietnam), Mexico and other foreign world countries knows, intestinal upset can present a serious health problem. While living and practicing medicine in India and the United States, Dr. Virender Sodhi has treated thousands of patients associated with travel related intestinal upset. He has developed Intestone™ for superior gastrointestinal support using the best known knowledge derived from centuries of Ayurvedic tradition.

For more information on these herbs and research, please visit our website at **www.ruved.net**
