

MG MASON'S GUARANTEE

This product has been manufactured and packaged in strict conformance with industry and government standards.

FOIL - TAMPER RESISTANT SEAL

If printed heat induced seal appears to be tampered with, do not use product.

Tinnitus (a ringing in the ears) can be a symptom of Meniere's Syndrome, which couples this ringing sensation with loss of balance and other symptoms.

Mason's Ear Health Formula contains vitamins and minerals that are specifically combined to improve circulation in the inner ear. It may help to relieve ringing in the ears (tinnitus) and dizziness.*

Directions: As a dietary supplement, take one caplet 3 times daily, preferably after a meal, or as recommended by your health care professional. For faster results, take 2 caplets three times a day. For best results, use for at least six months.

Keep Out of Reach of Children

Store in a dry, controlled room environment.
