

STANDARDIZED EXTRACT

Red Clover tops (*Trifolium pratense*) have been traditionally used for detoxification. New research has shown that the herb is rich in isoflavones including Genistein, Daidzein, Biochanin-A and Formononetin, estrogenic-like compounds that have been shown to be beneficial in balancing female hormones, especially in menopausal woman. ***This statement has not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.**

Also available in a **Holistically Balanced®**
Concentrated Liquid Extract

CAUTION: Keep out of reach of children. Do not use if safety seal is damaged or missing. If pregnant, nursing or on medication, consult with your health-care practitioner. Store in cool, dry place.
