NATURE'S ANSWER alcohol-free extracts are produced using alcohol, water and natural extractants. All alcohol and extractants are then removed through Bio-Chelated proprietary extraction process, yielding Holistically Balanced standardized extract. Liquid extracts are absorbed faster than tablets or capsules, and are more potent than tablets. Holistically Balanced guarantees that the constituents of the extract are in the same synergistic ratios as in the plant. Manufactured in our FDA registered and pharmaceutically licensed facility; Unconditionally guaranteed.
