**NATURE'S ANSWER®** alcohol-free extracts are produced using alcohol, water and natural extractants. All alcohol and extractants are then removed through our cold **Bio-Cheleated®** proprietary extraction process, yielding a **Holistically Balanced® standardized extract**. Liquid extracts are absorbed faster than tablets or capsules, and are more potent than tinctures. **Holistically Balanced®** guarantees that the constituents of the extract are in the same synergistic ratios as in the plant. **Manufactured in our FDA registered and pharmaceutically licensed facility: Unconditionally guaranteed.**
