

The USDA has established that fiber is an essential part of a healthy diet. The best way to get your fiber is by eating a variety of fruits, vegetables and whole grains every day. If you ‘fall short’ in your fiber intake, **Nature's Answer® Liquid Fiber** can help you meet your fiber goal.

Nature's Answer® Liquid Fiber Supplement provides a healthy dose of daily fiber in a delicious lemon-lime liquid form that is pre-mixed for your convenience. You can take it as is, or add it to your favorite smoothie or beverage without any mixing or stirring.

- Provides 14 grams of soluble fiber per serving
- Provides extra digestive support with prebiotic F.O.S.
- Soluble Fiber promotes ‘Feeling Full’
- Delicious Lemon-Lime Flavor
- Instant and Easy - No Messy Mixing

Polydextrose- a form of fiber that can help you feel full, although it is very low in calories, It also helps to support the growth of beneficial intestinal flora.

FOS Inulin-(Fructo-Oligosaccharides)- a natural fiber extracted from Chicory that offers a delicious sweet flavor. FOS supports the growth of beneficial intestinal flora which promotes a healthy & efficient digestive system.

Citrus Bio-Pectin- A fiber found in all fruits and vegetables. Citrus fruits contain a special pectin that increases fiber intake while it supports the immune system.
