

Modern science has discovered that D-Mannose acts as a 'decoy', attracting microbes away from the bladder wall, while cranberry decreases microbe's ability to adhere to the bladder wall and urinary tract lining. **Cranberry** has been used by traditional herbalists for centuries to help relieve urinary tract discomfort. Together, they act as a "dynamic duo" to support urinary tract health. Nature's Answer® delivers D-Mannose along with super concentrated cranberry, in a delicious fast acting liquid formula, further enhanced with Quik-Sorb® for maximum absorption.

### CONCENTRATED 3 DAY REGIMEN

**Caution:** Keep out of reach of children. Do not use if safety seal is damaged or missing. If pregnant, nursing or on medication, consult with your healthcare practitioner.
