

A More Powerful Vitamin D

D3Fusion™ delivers more Vitamin D benefits with state of the art supplement technology.*

D3 - shown to be more bioavailable and beneficial than the D2 found in most supplements - is the same form of D created when your skin is exposed to sunlight.

The dose - 4,000 IU per day - ensures you get everything this powerful nutrient has to offer.*

And patented VESISorb® delivery technology means your body absorbs 696% more than standard vitamin D supplements.

Better form. Better dose. Better delivery. D3Fusion™ is Vitamin D Delivered.
