

Super ARTHGOLD is an "All-Natural Source Formula" that has been known to help with arthritis, joint, and muscle-related aches and pains.*

Super ARTHGOLD may improve the blood circulation, which can help relieve soreness caused by lactic acid build-up in the muscle tissues. Better blood flow can also contribute to increased range of motion in the joints, which may help arthritis and joint pain.*

Super ARTHGOLD was developed to augment health, longevity, and well-being by applying a disciplined scientific approach to produce an innovative dietary supplement.*

*This statement has not been evaluated by FDA. This product is not intended to diagnose, treat, cure or prevent any disease.

CAUTION: If you are pregnant, lactating or on prescribed medication, please consult your physician before using this product. Do not take this product with alcohol at any time. While you are taking this product, please do not take any other nutritional products for joint and muscle pains. According to an anecdotal report, this product might cause diarrhea, skin rash, headache, or fatigue. But significance of the report is unclear.
