

BURN CALORIES WHILE YOU SLEEP

BeautyBurn™ PM addresses the metabolic functions which influence the storage of body fat and also helps increase the body's ability to burn off calories and reduce body fat while you sleep.

BeautyBurn™ PM science-based formula attacks the problem from ALL angles! Its **BeautyBurn™** complex increases your BMR (basal metabolic rate) allowing you to burn more body fat. **BeautyBurn™ PM** formula not only boosts your metabolism, it also puts an end to annoying hunger pangs and unmanageable appetites.

BeautyBurn™ PM formula contains no stimulants whatsoever and actually has natural herbs to help you recover faster from daily stresses and a support a good night of sleep. Wake up rested and looking leaner every day!

Directions - Recommended use to burn calories fast:

Take 2 capsules 30 minutes after last meal with 8oz of water. Cycle use of this product five (5) days on, two (2) days off for eight (8) weeks. Follow this cycle with a two (2) week break before beginning another eight (8) week cycle. Cycling **BeautyBurn™ PM** allows your receptors to work optimally and supports proper functioning of the body's natural feedback mechanisms.

WARNING: Not intended for use by pregnant or lactating women. Not for use by children under the age of 18. Do not use if you have or have had breast, uterine, ovarian or prostate problems. Not recommended for use by those who have depressive or immune function disorders. This product is intended for use at bedtime and can cause drowsiness. Do not operate a motor vehicle or machinery after taking this product. It should be noted that due to its effects on insulin, diabetics should consult their healthcare provider prior to use.
