

SPECIALTY RECOVERY & ANTI-CATABOLIC NUTRACEUTICAL*

The Ultimate Amino Superdrink[†]

MUSCLE MARTINI[®] is a clinically based nutraceutical drink designed for physique athletes, fitness enthusiasts and anyone else who wants to support lean muscle, recovery, protection from free radicals and overall health.* MUSCLE MARTINI[®] is expertly optimized for taste, aroma and color. One sip will make you a fan. One serving will make you a fanatic!

Support Lean Muscle Building, Recovery & Retention*

You need essential amino acids (EAAs) to build and maintain your muscles. Used as a dietary supplement, MUSCLE MARTINI[®] makes it easy and enjoyable to support healthy muscle EAA levels.* It supplies EAAs in doses based on the requirements of human muscle and clinical research using healthy, exercising subjects.†

MIX & ENJOY!
ONE SERVING
+ 10-12 oz
WATER

Recommended Use:

Mix 1 serving with 10-12 oz (1.25-1.5 cups) of cold water in a water bottle, shaker cup, or glass. Drink and enjoy! For an extra special drink, add 1-3 small ice cubes and mix in a blender for 10 seconds.

Ideal Times for Use:

- When dieting, to help preserve lean muscle and alleviate cravings (make pre-contest a breeze)*.
- As a healthy, 100% guilt-free treat in between meals.
- At school or office (keep a bottle there).
- Before bed.
- When dieting, drink one serving before meals to increase meal satiety (fullness)*.

Stacks effectively with:

NITRAFLEX[®] (Pre-workout)

JETMASS[™] (Post-workout)

TESTROL[®] (Boost testosterone and sexual stamina)

5-DIMENSIONAL
FREE RADICAL
TARGETING

MUSCLE MARTINI[®] contains Spectra[™], a next step in antioxidant science that may help maintain cell integrity.* Spectra[™] consists of over 30 fruit, vegetable, and herb extracts and concentrates. Its potential antioxidant activity has been measured using the Total ORAC₅ assay. Unlike the ORAC assay, Total ORAC₅ measures activity against 5 of the most important free radicals that may pose a threat to your health and performance.*

Spectra[™] is a trademark of VDF FutureCeuticals, Inc., used under license.
