

Natrol has combined three of the most beneficial joint health ingredients to give your joints the support they need! Glucosamine works hard to regenerate and rebuild the cartilage tissue. Chondroitin helps maintain the structural integrity of this tissue and promotes lubricating fluids for the joints. Lastly, MSM promotes joint and physical function by helping to maintain the elasticity of your joint tissue. With this triple support, your joints will have the opportunity for optimal flexibility, mobility and comfort.[†]

Consult your healthcare professional prior to use if you have or suspect a medical condition, or are taking prescription drugs. Do not use if you are pregnant or lactating. People with allergies to shellfish should consult their healthcare professional before taking this product.

STORE IN A COOL, DRY PLACE.
KEEP OUT OF REACH OF CHILDREN.
