Eye Vitamin & Mineral Supplement

Eve Health Formula

Ocuvite® Eye Health Formula helps replenish essential eye protecting nutrients that you can lose as you age.

Bausch + Lomb has developed this unique formulation of essential eye nutrients not found in leading multivitamins and often not obtained in sufficient quantities through diet alone.

The role of nutrients in the eye:

☑ Lutein & Zeaxanthin - Help to filter harmful blue light and support macular health.*

☑ Omega-3 - Essential nutrients that are important for proper retinal function.*
