

PotentSea®

Product of USA 

Marine Aminos™ is a genuine new discovery that has recently been registered with the FDA as a new ingredient. Extracted from the meat of sustainably harvested marine mollusks such as whelk, conchs and murex, **Marine Aminos™** are among the most condensed and purest form of proteins on earth. For centuries traditional seaside cultures have used the source material of **Marine Aminos™** to: boost libido* (sexual function, desire and satisfaction for men and women), increase energy,* endurance,* improve muscle tone,* speed recovery* and improve mental focus* while promoting youthful hair,* skin* and nails.*

SUGGESTED USE: With or without food take 2-3 capsules once daily. Best if taken just prior to activity.

* These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.
