

The powerful antioxidant Astaxanthin produces the naturally brilliant orange color.

PotentSea® Sockeye Omegas™ are cold-pressed from Wild Sockeye Salmon that are sustainably harvested from the pristine, glacier melt bays of Alaska. Cold pressing allows nutrients such as Omega-3 fatty acids, vitamins A&D to more fully benefit your cardiovascular system,* improve mood* while supporting joint health.* Sockeye Omegas™ provides a full array of essential fatty acids, antioxidants and phospholipids not present in regular heat treated, mixed-species or refined fish oils.

* These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.
