Royal Jelly

Dietary Supplement

60 Softgels

Supplement Facts

Serving Size: 1 Softgel · Servings Per Container: 60

Amount Per Serving. %DV*

Calories 5

Royal Jelly (14 mg 10-HDA) 303 mg †

(Freeze-dried concentrate equivalent to 1,000 mg fresh Royal Jelly)

† Daily Value not established. *% of Daily Value is based on a 2,000 calorie diet.

Other Ingredients: Softgel Capsule (Bovine gelatin, glycerin, water), Organic Extra Virgin Olive Oil, Sunflower Lecithin and Silica.

Recommendation: As a dietary supplement, take one to two softgels daily.

This Royal Jelly has been freeze-dried to maintain maximum stability. 10-HDA (Hydroxy-d-decanoic acid) is one of the active, measurable components of Royal Jelly.

Royal Jelly is a natural source of many nutrients. Royal Jelly is the only food for the Queen Bee, and it enables her to outlive worker bees thirty fold. The Queen Bee is also very fertile, laying up to 2,000 eggs each day throughout her life*
