Supplement Facts (continued)

Warning: If pregnant, nursing, taking any medications or experiencing health issues, consult your doctor before use.

Allergen Information: Contains Shellfish (crab, shrimp, lobster, crayfish). Not manufactured with wheat, gluten, soy, milk, fish, or tree nut ingredients. Produced in a GMP facility that processes other ingredients containing these allergens.

Microcrystalline Hydroxyapatite (MCHA) is a natural compound that makes up the crystaline matrix of bone and teeth, and is the substance that gives them their rigidity. MCHA is a source of highly absorbable calcium and phosphorus, which are the major mineral components of bone. Microcrystalline Hydroxyapatite (MCHA) is derived exclusiveley from Australian cattle.
