"These yummy gummies are so special because they are the first-ever to be made from real, organic, Non-GMO fruits and vegetables (seriously, we put 9 whole organic fruits in every bottle!). We made them without sugar, animal gelatin, artificial dyes and sweeteners or chemical vitamins. I am so proud of them and pleased to share them with you. These vitamins are specially formulated to help make sure your body gets the essential nutrients it needs without all the other 'bad stuff' usually found in gummies. You will love them!"

Enjoy! Love, Alicia
