Trader Darwin's Omega 3 Fatty Acid supplement is made from the body oils of wild-caught anchovies and sardines. These oils are molecularly distilled to remove contaminants such as PCBs, mercury and other heavy metals. In addition, each batch is tested by a third party laboratory to ensure that the supplement meets the stringent quality standards that our customers have come to expect.

CONTAINS NO YEAST,
SUGAR OR STARCH

People with medical concerns should check with their physician before using this or any dietary supplement.
